## Nick jonas wife wedding

If the photos from Nick Jonas and Priyanka Chopra's wedding give the impression that it's a beautiful and luxurious affair, then just imagine what it's like to see a multiday event unfold in person. Joe Jonas, Nick's brother and former bandmate, need not imagine. He, along with their eldest and youngest siblings, Kevin and Frankie, stood right next to the groom when the 26-year-old said I did to his Bollywood-starred bride. And on Thursday morning, Joe stopped by today and opened it all up - from best man toast to the result of one incredible pre-wedding dance. It's been amazing, says the 29-year-old. Marrying Nick to Priyanka has just been fantastic. Obviously, this has been one of the most beautiful weddings I've ever seen and being a part of it is a dream. One part of it in particular really feels like a dream. I was a bit faint for a minute, he said of his moment to raise a glass and toast to the newlyweds. I'm just overwhelmed with emotion. This is my brother, my best friend and saw him marry the girl of his dreams... there were a lot of tears throughout the weekend - and lots of smiles. I have (toast) on paper, so that's the most important part. Also important? Sangeet, a musical dance celebration that cheerfully pitted the bride's family against each other. And if anyone thinks Tim Jonas has an innate advantage at the dance because of their past and present pop music, well, they should immediately think again. You know, I wish we did, Joe continued. Sangeet is a beautiful Indian tradition a few days before the wedding where you perform, and they have the most incredible player in his family. They have many friends and family who are Bollywood stars. So instead of an easy win, the Jonas Brothers (and their entire family) have to concede defeat. They must have destroyed us, he said. Priyanka Chopra and Nick Jonas' wedding: See the 1st Photo. 4, 201800:49 This wedding will be a difficult act to follow, but Joe is set to do just that. In October last year, the singer posed a question to her boyfriend, Game of Thrones star Sophie Turner. I definitely took some notes, he said about his brother's big day. But the week was all about them, celebrating them both, and that's what happened to us. Experience it and look back, and you're just amazed. My time will come, but I am happy for both of them. Joe and his goals have yet to reveal a date for their own big day, but we're already excited to see what nuptials look like! Nick Jonas and Priyanka Chopra are married! Dec. 3, 201801:04 According to quantic's star, the two are in no hurry to take their decent vacation. In his first video interview their wedding at Umaid Bhawan Palace in Jodhpur, India, Chopra said the two put their work commitments first. I'll just tell the bride out there, whatever your priorities are, it's true. If your priority is to work, that's right. If If The priority is the honeymoon, that's right, the actress added. As a newlywed, it's really your turn. You can do whatever you want. But newlyweds don't all work and don't play. According to Chopra, the two plan to honeymoon in the near future, but where and when will be a surprise. One thing that is certain, is their decision to divide the time of stay in India and the United States. Both countries are my priorities, Chopra said. Wedding celebrations continue for Two of Hollywood's favorite newlyweds. As People know, Nick Jonas and Priyanka Chopra held a southern wedding reception recently, and it was one that had a very special meaning for the Jonas family. According to People, Jonas and Chopra had another celebration on January 27, this time in North Carolina. This latest party was held at Kevin Jonas Sr.'s Nellie's Southern Kitchen, located in Belmont, North Carolina, which happens to be where the patriarch of the Jonas family grew up. In addition, the restaurant was inspired by Kevin Sr.'s mother and jealous singer grandmother Nellie Jonas, who died in 2011, per E! News. Considering that information, it was obviously very special for Jonas and Chopra to have one of their wedding celebrations at the restaurant. E! News also revealed some other fun details about their party. According to the publication, the sign read out inside the restaurant, Nick and Priyanka had just got hitched but the knot they tied had not been dipped in gravy or honey or hot chicken oil, and continued. So it's time we threw them a Southern Nellie feast. Mama and Papa J take you proudly to come celebrate their son and his bride. Based on photos and videos, Chopra and Jonas arrived at the party in style and were greeted by all their friends and family. And as some sources mentioned, it sounds like the couple's latest celebration, not surprisingly, went off without a hitch. As you will remember, this is not Chopra and Jonas' first wedding celebration, or even the second or third. Newlyweds first exchanged vows in early December in Jodhpur, India when they first held a traditional Hindu ceremony on December 1, followed by a Christian ceremony the next day. The ceremony was followed by their first wedding reception, held in Delhi, per People. At the time, Chopra opened up to People about the couple's religious ceremony mash-up, saying: 'We took the wonderful traditions we both grew up with and personalized them in a way that made sense to us. It's been amazing to find common ground between our beliefs and figure out how to blend them in a respectful and meaningful way. At the end of December, the couple had two more celebrations in India. They have another reception December 19 was thrown by the bride's mother, Madhu Chopra, followed by another held for their Bollywood industry friends, according to TMZ. So, the party really hasn't stopped for Chopra and Jonas for a while. On them they wedding reception on December 19, Chopra made a beautiful speech in honor of her husband, the attendees at the event, and her friends and family, including a special mention of her father, Ashok Chopra, which passed in June 2013. He said, in part, according to E! News:Thank you so much for being here, friends of my parents, my mother, who hosted this wonderful evening, my father, who I know is here. Thank you so much for coming and giving us your blessings and I hope you have a wonderful time tonight, and this is my husband, Nick Jonas. Given that Chopra and Jonas' reception has been full of love, pleasure, and a touching personal bond with their family, it's really no surprise that the couple didn't want the pleasure of the wedding to stop. It happened: Priyanka Chopra and Nick Jonas are married. Here's everything we know about the ceremony (and everything that leads to it). Jonas and Chopra shared the first photos and videos of their ceremony. We finally looked into the wedding — and it didn't disappoint. Priyanka's custom Ralph Lauren dress was hand-beaded paired with a jaw-dropping 75-foot veil. The bird's eye view in the video, shared on Instagram and pinned for the Jonas below, gives an idea of the scale. This content is imported from Third Parties. You may be able to find more information, on their website. For his part, Jonas was waiting on the alter in Lauren's sharp suit. The video captures her wiping away tears quickly as her bride walks down the aisle. The newlyweds also shared photos from their Indian ceremony. Happiest day of my life. Jonas added in a caption. And it's forever starting now... Chopra wrote in hers. This content is imported from Instagram. You may be able to find the same content in other formats, or you may be able to find more information, on their website. Sangeet is a traditional pre-wedding party in Indian culture. What is not typical is a professionally produced competition between two celebrity families. Chopra posted about Sangeet on Instagram, writing that Each family tells our story through song and dance, filled with laughter and love. The video brings together a short clip of the show, shows Chopra dancing with her mother, Madhu Chopra, and reveals that the Jonas brothers were reunited on stage (though not side by side in the video, People reported that they sang together). This content is imported from Instagram. You may be able to find the same content in other formats, or you may be able to find more information, on their website. The first of the two ceremonies took place on Saturday.Chopra and Jonas planned two each of which will pay homage to their respective cultures. It's important for Priyanka to have an Indian ceremony that honors her heritage and culture, just as it's important to have a Western ceremony honoring Nick's Christian upbringing, a source told People.The Christian Christian on Saturday, and Indian celebrations took place the next day. People reported that Jonas' father, a pastor, opposed their Saturday nuptial. And according to the BBC, fireworks erupted at its conclusion. While we don't yet have photos of the event, Chopra and Jonas each posted an Instagram slideshow of the pre-wedding Mehendi, with matching comment captions. This content is imported from Instagram. You may be able to find the same content in other formats, or you may be able to find more information, on their website. The pair's story together began after a joint appearance at the Met Gala, both sporting Ralph Lauren, so it's only natural that they choose designers on their big day. For Lauren, however, it was a bigger leap: she had previously only made wedding dresses specifically for her daughters, daughters-in-law and nieces. Early Saturday morning, Ralph Lauren's Twitter account congratulated the newlyweds. Ralph Lauren was honored to have dressed the couple as well as members of their wedding party, the message read. This content is imported from Twitter. You may be able to find the same content in other formats, or you may be able to find more information, on their website. Chopra and Jonas went all-in on Chopard's jewelry for their wedding weekend. Not only was their wedding band from the brand (akosha-cut diamonds for the bride, 18 carat gold for the groom)—Priyanka and Nick wore chopard pieces. Jonas wore Chopard's watch to the Ceremonies of Mehendi, Sangeet, and Kristen. For her part, Chopra sported more than one dazzling earring and necklace featuring more than 184 carats of pear-shaped diamonds. The couple arrived at their wedding destination on Thursday.Chopra and Jonas married at the Taj Umaid Bhawan Palace in Jodhpur. The luxury building was once the home of Maharaja Gaj Singh II, and has since been converted into a luxury resort. They landed at Jodhpur airport on November 29, along with Priyanka's future-in-laws: Joe Jonas, Sophie Turner, Kevin Jonas, and Danielle Jonas. Previously, informal pre-wedding celebrations took place in Delhi and Mumbai. Chopra and Jonas arrived in India last week, and shared their Thanksgiving celebrations in Delhi on Instagram. A few days later, Joe Jonas and his fiancée, Sophie Turner, met them in Mumbai. Nick Jonas shared a group photo on Instagram. They have been engaged since July 2018.Jonas proposed to Chopra with a \$200,000 Tiffany pillow cut diamond this summer. The engagement comes after a relatively quick romance—rumors swirled after they appeared together at the 2017 Met Gala, but they didn't officially become a couple until this past May. Things got serious when Jonas reportedly took Chopra to his cousin's wedding in June. Chopra followed suit, introducing Jonas to his family later that month, have bridal showers and bachelorette parties. The actress hosted a bridal shower at Tiffany's Blue Box Café. Guests included Jonas' sister-in-law Danielle Danielle as well as fellow celebrities Kelly Ripa and Lupita Nyong'o. Chopra opted to wear a fluffy white Marchesa dress for the occasion. Her bachelorette party, on the other hand, was in Amsterdam. Chopra shared several posts on Instagram, many of which showed the actress in a stunning Georges Chakra dress. Sophie Turner, a Game of Thrones actress and Joe Jonas fiance, stands out in Chopra's snap. This content is imported from Instagram. You may be able to find the same content in other formats, or you may be able to find more information, on their website. Well, the reason may be that Lime paid for it. Regardless, Jonas' Instagram posts about the five scooters reveal the names of his five grooms: family members Joe Jonas, Kevin Jonas, and Frankie Jonas, brother of Chopra Siddharth Chopra, and Nick's Kingdom co-star Jonathan Tucker. According to E! News, there are six more grooms yet to be revealed. This content is imported from Instagram. You may be able to find the same content in other formats, or you may be able to find more information, on their website. In exchange for a \$100,000 donation to UNICEF, the actress shared her wish list with the e-commerce giant. Make the most of it—you'll find everything from dinner plates to dog raincoats. The couple got a marriage license ahead of their ceremony. In early November, Chopra and Jonas took care of the paperwork at the Beverly Hills courthouse. So although their marriage is rumored to be taking place on December 2, legally, they are already hitchhiking. This content is imported from Instagram.
